

ANCHOR ACCOUNT ACTIVATION

1. After the Sys Admin registered a new organization, an Email with an activation link is sent to the Organization Anchor (= the main BrainChain responsible within the organisation and the person to which BrainChain reaches out to). The account activation page is opened as the Anchor clicks the activation link in that email:

BRAIN < > CHAIN EN

Account activation

Please fill in the below data to activate your account

First name*

Last name*

Professional email*

Phone number

Region*

Country*

Please set a password to finish activation of your account

New password*

Confirm password*

I accept the terms of [the license agreement.](#)

2. To activate the Anchor account, the Anchor should enter his data, accept the Software license agreement and click " **Activate account** ". This will redirect the Anchor to the login page:

BRAIN <> CHAIN EN

Welcome to BrainChain

Email

Password

[Log in](#)

[Forgot your password?](#) [No account yet? Create account here!](#)

3. After logging in, the Anchor is brought to the Anchor landing page:

BRAIN <> CHAIN Balance: 0€ anchor@temp.org EN

Welcome to BrainChain
